

CRITERIA FOR DR. ROLAND & VIRGINIA LADENSON MEDICAL SCHOLARSHIP

Thank you for your interest in the Dr. Ronald and Virginia Ladenson Medical Scholarship, offered by the Boone County Medical Society (BCMS). When this \$2,000 scholarship was established, the family set out the following objective:

This scholarship is offered to outstanding medical students who are committed to pursuing careers as primary care physicians (including pediatrics, internal medicine and family practice) providing comprehensive care for their patients.

Candidates should have begun their clinical training (meaning they are in their final two years of medical school) and demonstrated exceptional intellectual and humanistic qualities in their interactions with patients, peers and instructors. Financial need will also be considered, although it will not be a principal factor in the selection criteria.
